

FPS Chapter 1

4/15/05

News from Detroit's Chapter 1:

Chapter One's monthly membership meeting was held March 18th at the Morrell Company in Auburn Hills, MI. where the thirty-seven people who attended were able to witness the first ever "Ted Kokobo scholarship award" presentation.

Ted worked on chapter projects for many years and was involved in fluid power for about 45 years prior to his passing. We know that Ted would have been proud to know of a scholarship award in his name.

This year's winner of the \$1,000.00 honor was Kenny Jibson. Kenny works full time during the day and attends Macomb Community College in Warren, MI. in the evenings enrolled in their fluid power

curriculum. He enjoys working in the fluid power field & plans to make it his career work.

Attending from Macomb C.C. was Mr. Joseph Petrosky; *Director of Applied Technology & Apprenticeship Engineering & Advanced Technology*. Chapter 1 was very pleased that Mr. Petrosky and all the other attendees were able to be at Morrell for this special award presentation.

Fluid Power Society Detroit Chapter One

Monthly Schedule for 2005 / 2006

We have set the dates for this falls meetings and into next year, so mark your calendars and be sure to join us. Remember you do not need to be a member to attend these meetings, so bring a co-worker, friend, relative, etc to the next meeting.

February 16	OPEN
March 16	Morrell
April 20	OPEN
May 18	ALMO Manifold
June ?	Gold Outing

April 22, 2005

Detroit Chapter One wishes to thank CRS Services for hosting the April membership meeting. If you weren't there you missed a great dinner (Bob Slogan's special corned beef) and an excellent presentation by Certified Training Associates, Pete Everts. I continue to be pleased by the attendance at this and our previous meetings. Lets keep it up.

Due to a conflict in scheduling the May membership meeting with Almo Manifold has been cancelled. The next get together will be the June golf outing at 'The Links of Novi'.

The Monthly meeting schedule for 2005 / 2006 is also included. Please notice that we have some open dates that need host companies and speakers. If you know of anyone who would like to host a meeting please let me know.

Don't forget to get your groups together for the June 10th outing. This will be the last year for the outing to be at "The Links of Novi". Reserve your space now by calling Ralph Hatt, or better yet let him know in person at the May meeting.
