

## Minneapolis Chapter #5

**Next meeting:** *Why become FPS*, The meeting will be held at Hennepin Technical College, Eden Prairie Campus.

The next FPS chapter 5 meeting scheduled for Thursday, August 25th 2005 has been postponed until Thursday September 15<sup>th</sup> - Ernie Parker from Hennepin Technical College is going to conduct an overview of the Hydraulic Specialist Certification.

Are you interested in getting the Hydraulic Specialist Certification from the Fluid Power Society, but scared to try it? Ernie Parker will give a one-hour overview during the meeting of what is in the exam and what to expect. Then, if you have a two year Fluid Power Degree, a four year Mechanical type degree or a few years of experience with basic Shop Math, Ernie can help get you to the level of passing with a 30 hour review class. Ernie will ease your fears of taking this exam and hopefully you will pass and have it behind you. Also, if you are interested in re-certification credits, this meeting and class will count for re-certification units

### **Dinner starts at 5:30 PM, with the meeting following at 6:30 PM.**

Dinner will be a buffet with Chicken as the main entree. The meal cost is \$15.00 for members and guests and \$10.00 for students.

Directions to Hennepin Technical College, Eden Prairie Campus:

From 494 & 212, South off 494 to Flying Cloud Dr (212), Right onto College View  
Address: 13100 College View Drive, Eden Prairie MN

### **Use Interactive Map Below:**

For those of you planning on joining us please e-mail your reservations stating your name, phone number, and company affiliation (and guests name, if any) to Rod Erickson at [Roderickson@eaton.com](mailto:Roderickson@eaton.com) no later than **Friday, September 9th**. Alternately, you can call Rod at 952-937-7132. Please remember that no-shows cost the chapter money

### **Chapter business:**

Due to changes in how the national organization is providing support, future newsletters will only be provided via e-mail. If you know someone who would be interested in participating in our meetings please feel free to share this newsletter with them. If you know someone who has yet to provide the Fluid Power Society with his or her e-mail address please encourage him or her to do so.

If you know anyone who wants to subscribe to this email, they can email, ifps5-subscribe@lists.ds6.net

Subscriptions are all handled automatically by the server. Users can also manage their subscriptions by visiting [\\_<http://ds6.net/mailman/listinfo/ifps5>](http://ds6.net/mailman/listinfo/ifps5)

If you know of anyone interested in becoming a member of the Fluid Power Society please provide them with this link

[<http://www.ifps.org/Members/membership.htm>](http://www.ifps.org/Members/membership.htm) to get a copy of our membership application. Your membership is important to us. When you renew your yearly membership, a percentage is shared with the local Chapters. These funds and our Annual Seminar help us finance our yearly programs for you. If your membership has lapsed, please renew shortly so we don't lose you off of our mailing list. If your address has changed please let Donna Pollander know at [donnapollander@idpcreative.com](mailto:donnapollander@idpcreative.com)

[<<mailto:donnapollander@idpcreative.com>>](mailto:donnapollander@idpcreative.com). We want to make sure that we are able to keep you informed of the Chapter's activities. Also, if anyone has any suggestions for tours, seminars or speakers please pass them on to any of the officers, we need your input! Contact any of your Minneapolis-St Paul Chapter 5 Officers with any questions or comments:

**Questions or comments?** Please email the following Chapter 5 Officers:
